Description

REHAU uPVC Windows and Doors are a range of window and door joinery units for use in residential and light commercial buildings fitted with insulating glass units (IGUs). The joinery units are available with fixed glazing or opening sashes. The opening sash window styles include awning, casement, tilt-and-turn and sliding. Door styles include tilt-and-turn and sliding doors.

The REHAU uPVC Window and Door suites covered by this BPIR are referred to as REHAU Euro-Design Slide S920 and REHAU Prestige-Design S921, REHAU TOTAL70 window and doors, and REHAU SLINOVA

The windows and doors are fabricated in New Zealand by local REHAU window and door fabricators from uPVC profiles manufactured by REHAU AG & Co.
